

Curriculum Vitae

Name: Randolf Herrmann Reinhardt M e n z e l

Marital status: married since 1967

Children: Sabine, Julia, Rebecca, Simon

Date of Birth: 07. June 1940 in Marienbad/CSR

1946 - 1951 Primary school in Goddelau and Gernsheim/Rhein (State of Hessen, Germany)

1951 - 1960 High School and College Gernsheim/Rhein

1960 Final examination (Abitur) and qualification for university

1960 - 1963 Study of Biology, Chemistry, and Physics at the University of Frankfurt/M.

1963 Study of Biology and Animal Physiology at the University of Tübingen

1965 - 1967 Ph.D. work on colour vision and learning in honeybees with Prof. Dr. M. Lindauer

05. May 1967 Ph.D.-degree obtained, University of Frankfurt/M.

1967 - 1969 Appointment as postdoc research assistant to Prof. Dr. M. Lindauer by the "Deutsche Forschungsgemeinschaft" (German Research Council)

1968 Examination for the qualification as High School teacher ("Gymnasium") (Biology, Chemistry, and Theory of Education)

27. Sept. 1968 Appointed lecturer at the Technical University (TH) Darmstadt, Zoologisches Institut under Prof. Dr. H. Markl

06. June 1971 "Habilitation" (university teaching qualification) in Zoology, TH Darmstadt

10. Okt 1972 Appointed Assistant Professor (C2) with tenure at Zoologisches Institut, TH Darmstadt

1972 - 1973 Visiting research fellow in the Department of Neurobiology, RSBS, Australian National University, Canberra (Prof. Dr. G.A. Horridge)

1973 and 1974 Offer of a lecturer position with tenure at the Department of Neurobiology, Australian National University, Canberra

1973 - 1976 Spokesperson for the research group "Neural basis of behaviour" at the TH Darmstadt

10. Febr 1976 Appointed Professor (C3) at the Institute for Animal Physiology and Applied Zoology at the Free University of Berlin

1976	Offer of a position as full Professor in the Department of Biology, Princeton University, NJ
	Offer of a position as Professor (C4) and Department Chairperson at the University of Hamburg
since 1976	Professor (C4) and Head of the Institute of Neurobiology at the Free University of Berlin
1978	Research at the Department of Neurobiology, Australian National University, Canberra
1978 - 1980	Dean of the School of Biology, Free University of Berlin
1979 - 1987	Lecturer at the summer school in Woods Hole (MA, USA), MBL (9 times in total), course: Neural Systems and Behavior
1977 - 1988	Regularly held the position of Administrative Director of the Institute for Animal Physiology and Applied Zoology, Department of Biology at the Free University of Berlin
1984 - 1989	Research trips to USA, Australia, Brazil and Israel
1987 - 1996	Curator of the Max Planck Institute for Biological Cybernetics, Tübingen
1988 - 1996	Elected referee in the field of Zoology for the "Deutsche Forschungsgemeinschaft"
1991	Leibniz Award from the "Deutsche Forschungsgemeinschaft"
since 1991	Member of the Academy of Sciences and Arts, Mainz
1992 - 1995	President of the International Society of Neuroethology
since 1992	Member of the Academia Europaea
since 1993	Member of the Berlin-Brandenburg Academy of Sciences
since 1996	Member of the German Academy of Natural Scientists Leopoldina
1998 – 2004	Associate of the Neuroscience Research Program San Diego (USA)
Since 2000	Member of the Royal Norwegian Academy of Sciences
2000	Körper-Preis for European Science, Körper Foundation, Hamburg
2002 – 2008	Guest Professor at the Center of Neuroscience at the University of Trondheim (Norway)
2004	Karl Ritter von Frisch Prize of the German Zoology Society
2007	Honorary doctorate, Université Paul Sabatier, Toulouse (France)
2008	International Prize of Cognitive Neuroscience Foundation Fyssen/France
Since 2008	Emeritus Professor
