

First Diffraction Experiment

Today and next week

- Practice Refinement of Crystal Structures
- Refine “your” structure (either own measurement or from the list in the zip-pdf-file)
- Get a CheckCIF-Report (Online, use google) without A- and B-Alerts
- Write a Crystallographic Manuscript (IUCrData)

Exam (in groups of three)

- Sign up for a date online (homepage)
- Get a CheckCIF-Report (Online, use google) without A- and B-Alerts
- Write a Crystallographic Manuscript (IUCrData)
- Submit the manuscript, CheckCIF-Report, res-, cif- and hkl-file **1 week prior** the exam
