WELCOME TO FREE UNIVERSITY BERLIN!

ORIENTATION DAYS
M.Sc. BIOCHEMISTRY
SoSE 2024

PROGRAM

MONDAY, APRIL 8TH AT 10 AM (VIA WEBEX)

10:00

WELCOMING BY LECTURERS OF OUR FACULTY

10:30

Introduction to the Biochemistry M.Sc. program

11:00

"LIFE AT FU"—INTRODUCTION BY THE STUDENT REPRESENTATION, TIME FOR QUESTIONS

11:30

Online Demonstration Tombola

WHO ARE WE?

send delegates to university panels *FBR, ABK, ...*

always up-to-date with important happenings

exchange ideas with other FSIs

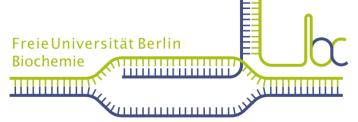

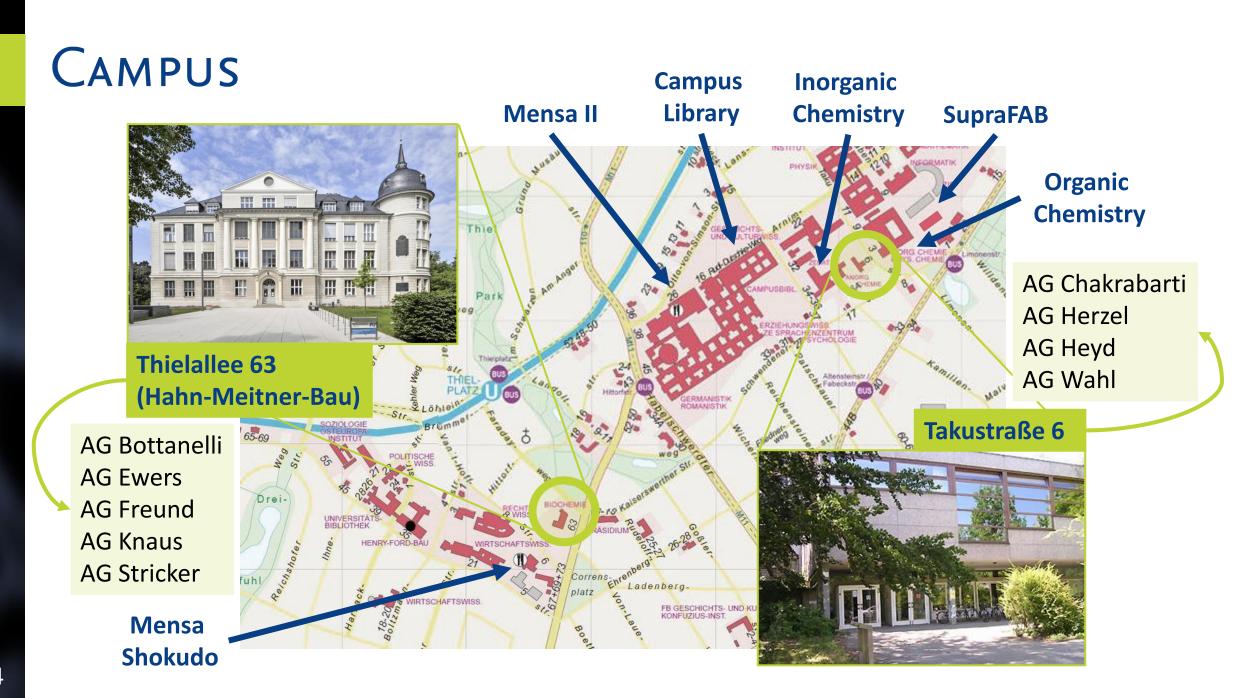

volunteers

support students student counselling

organize campus life *PfgL, OE, Kegga*

stay in contact with professors

Your Studies

Module

Advanced Biochemistry Lecture

Part I:

Nucleic Acids + Proteins

Part II:

Signaling and Membranes

Method Modules

3 x 2 weeks → Tombola!

OR...

own!

decentralized method module (3 weeks)

→ organize on your

Research Projects

3 x 9 weeks

find and organize on your own!

Electives

⇒ course catalogue

free electives

→ also from other programs!

Credits

1 Leistungspunkt = 1 ECTS (European Credit Transfer System) = 1 Credit

Schedule

s.t. = sine tempore (on time)

c.t. = cum tempore (15 min later)

How to fill your first semester

	Monday	Tuesday	Wednesday	Thursday	Friday
9 - 10					
10 - 11					
11 - 12					
12 - 13					
13 - 14					
14 - 15					
15 -16					Advanced
16 - 17					Biochem. 1/2
17 - 18					

You can...

- participate in methods module seminars
- check the course catalogue for interesting courses
- use the first weeks to visit courses & see if you like them

Important note: If you take and pass the exam of Advanced Biochemistry Part 1 or 2 you can improve your grade by taking it again during the first 4 semesters of studies! Please check regulations of examination board.

TOMBOLA

- → deadline for submission of preferences: Wednesday, October 11th 10pm
- = distribution of Method Module Places
- 1. check the catalogue and decide on your priorities

2. check if your choice is **compatible with the timetable** and the distribution of structural biochemistry, molecular biology and molecular biomedicine

3. sign up for courses you are interested in using the online form (see e-mail)

Tip:

some biology classes have limited seats and will also be open for application during the tombola

→ check the course catalogue for biology master classes which might be interesting for you

EDUROAM

Installation Guides:

https://www.zedat.fuberlin.de/tip4u 161.pdf https://www.zedat.fuberlin.de/WLAN

- FU has eduroam internet
 - → with your FU account you will have access to eduroam internet all over the world
- for use on your phone you will have to download the Get Eduroam App

FU - VPN

Installation Guides:

https://www.zedat.fuberlin.de/VPN

VPN allows access to all...

- books
- textbooks
- journals

the FU has bought licenses for – wherever you are

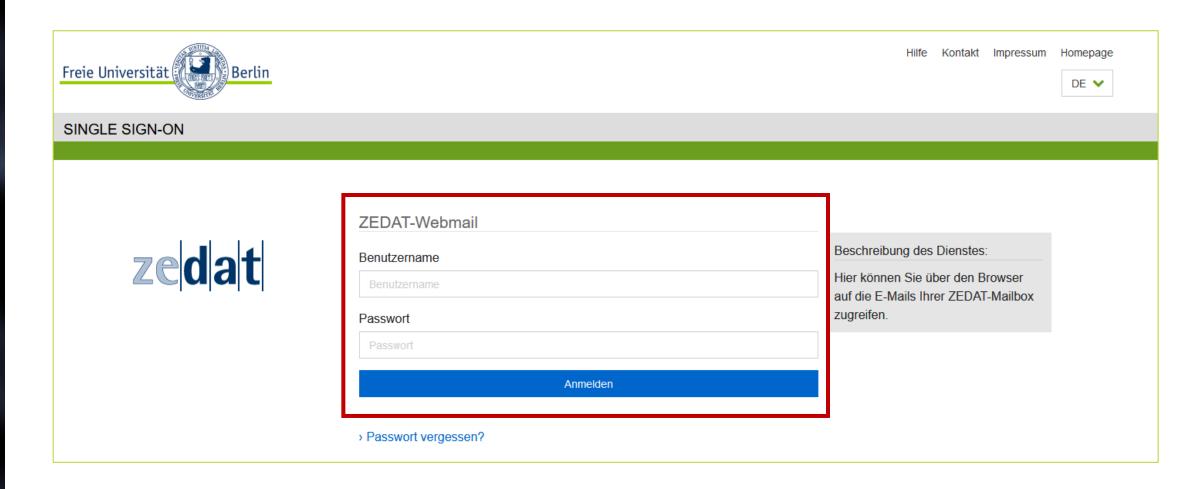

ZEDAT – FU IT DEPARTMENT

→ search for "zedat fu berlin"

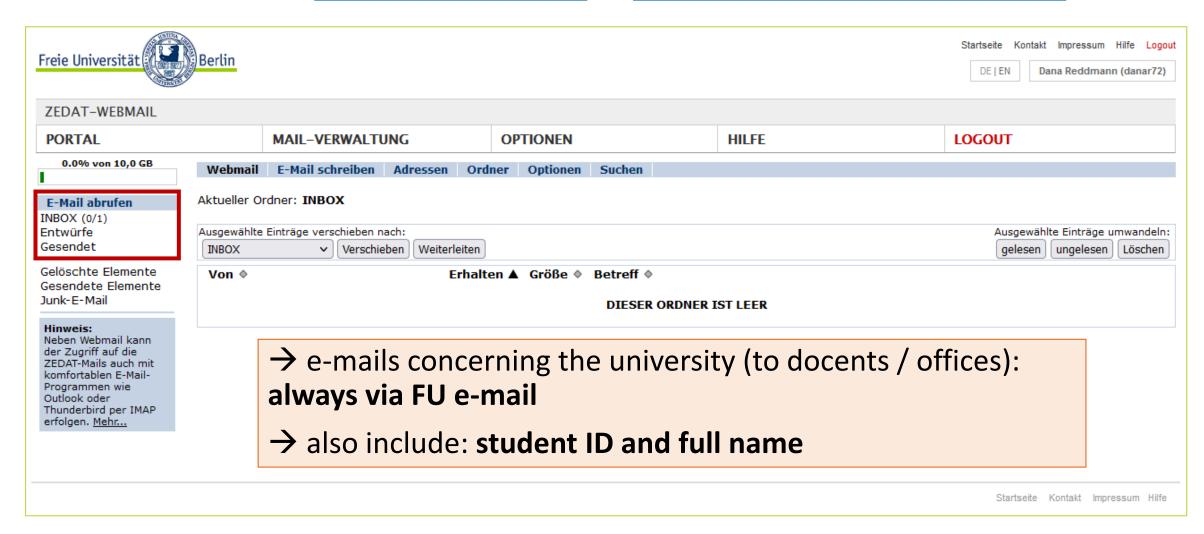

ZEDAT WEBMAIL

→ sign in with your Zedat account and password

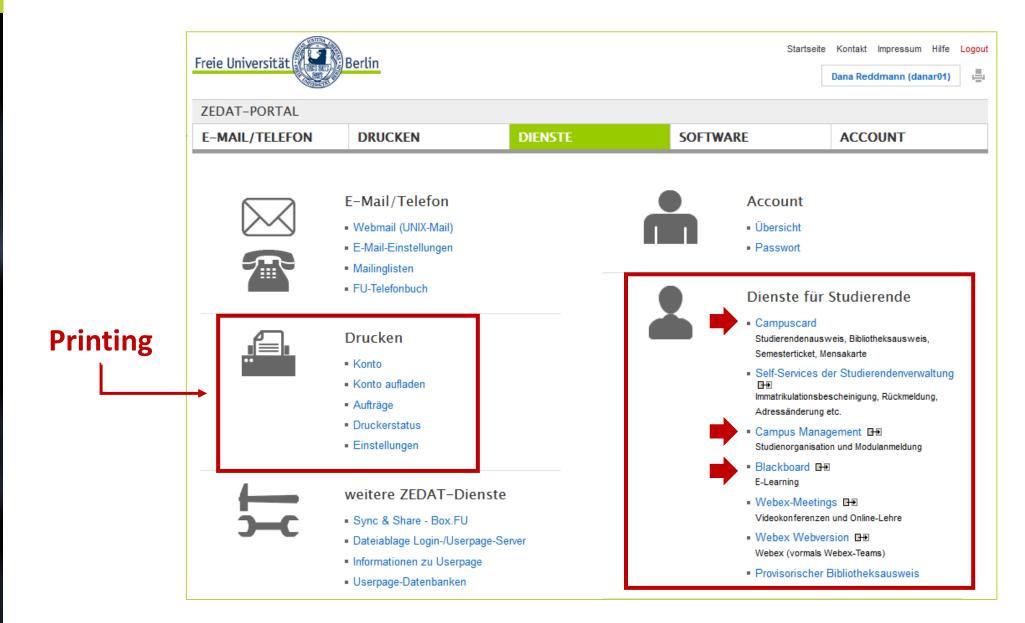

ZEDAT WEBMAIL

 \rightarrow create e-mail alias: x@zedat.fu-berlin.de \rightarrow firstname.lastname@fu-berlin.de

ZEDAT ONLINE PORTAL

CAMPUSCARD

- Student ID
- Public Transport Ticket
- Mensa Card
- Library Card
- Lockers
- Printing

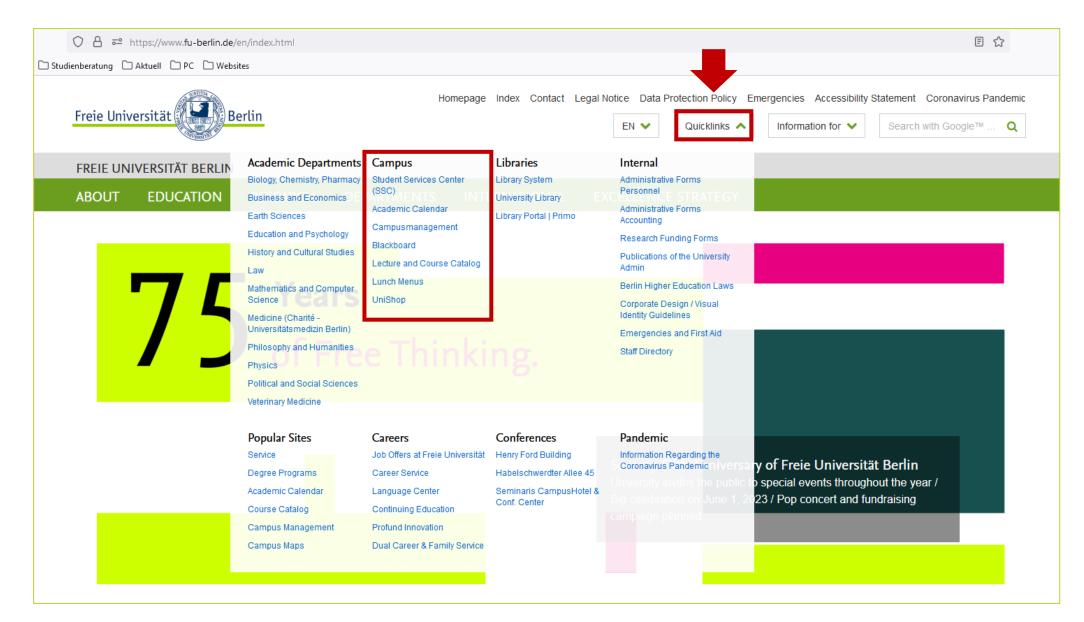

https://www.fu-berlin.de/en/studiu m/studienorganisati on/immatrikulation/ campuscard/index.h tmlsemester!

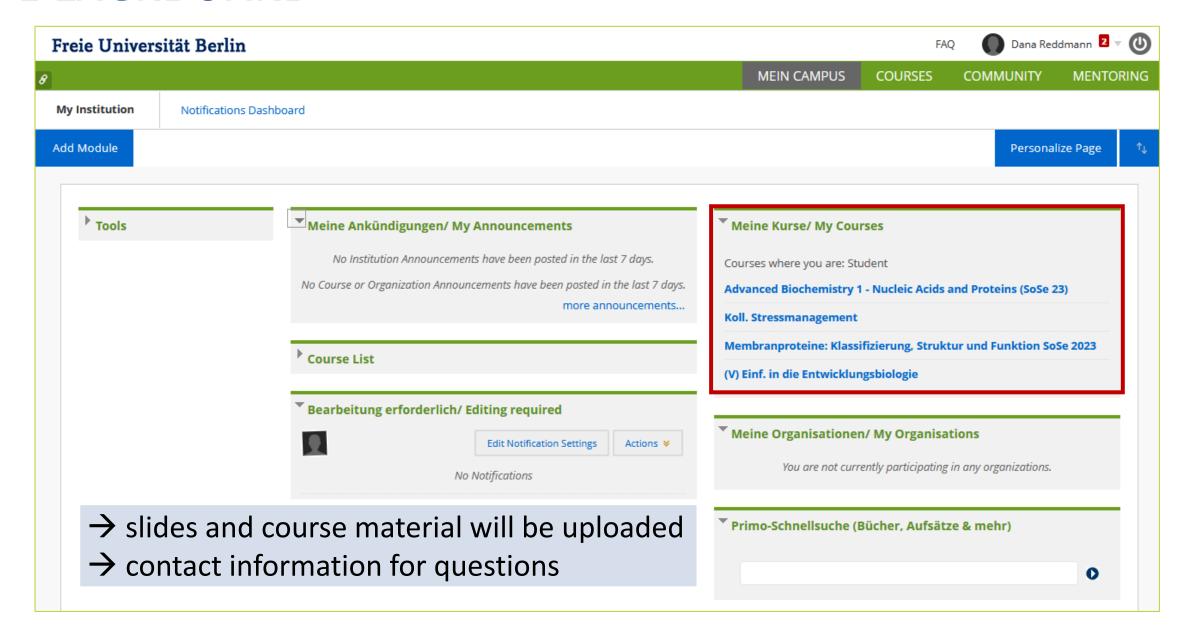

Validation → at validation machines at the beginning of each semester!

Issuance → at issuance machines on campus with QR code (from your Zedat account)

Fachschaftsinitiative Biochemie

Wer wir sind

Die Fachschaftsinitiative ist eine bunt zusammengewürfelte Gruppe aus Biochemiestudierenden der unterschiedlichsten Semester, die etwas bewegen wollen.

In gemütlicher Runde übernehmen wir die Planung verschiedener Veranstaltungen und beschäftigen uns mit den unterschiedlichsten Problemen, die das Studium so mit sich bringt. Wir sind eure Ansprechpartner für Fragen rund ums Studium. Ob ihr nun gerade erst anfangt oder bereits erfahren im Studium seid: bei Fragen stehen wir euch mit Rat und Tat zur Seite.

Mitglieder der FSI im Herbst 2022

TERMINE UND EVENTS

Currently no events

> overview

FSI PADLET – ONLINE NOTICE BOARD

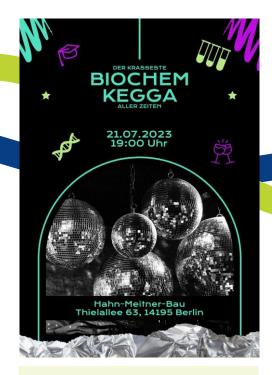

FSI EVENTS

Teaching Award

Movie Nights

Biochem-Kegga

Christmas Party

EVENING SEMINARS

- speakers are invited to talk about their lives and careers and answer questions
- everybody is invited
- cozy atmosphere with beer and snacks
- usually once per month

→ Dates will be announced on padlet and instagram (FSI Biochemie)!

How to contact your colleagues...

FSI-Discord: https://discord.gg/FzWrzWk

make Whatsapp (or other) groups

Get to know each other during Orientation Week!

... AND US!

fsi@biochemie.fu-berlin.de

fsibiochemistryfuberlin

http://www.bcp.fu-berlin.de/en/chemie/biochemie/student-representatives/index.html

OIN US AT OUR NEXT MEETING!

Next Meeting:

• When: TBD

• Where: TBD

• Who: everybody who wants to join

and chat

Snacks and Drinks will be provided!
