### This week...

Places in method courses will usually be raffled in the *Tombola* in *Hahn-Meitner Bau, Lise-Meitner-HS*.

The Tombola will be held online + there is no priority for 1<sup>st</sup> semester students this semester!

- → Check the catalogue and decide on your priorities
- → Check if your choice is compatible with the timetable and the distribution of structural biochemistry, molecular biology and molecular biomedicine (Form!)

...some biology classes have limited seats and will also be open for application during the tombola

→ Check the course catalogue for biology master classes which might be interesting for you

# Some important information

- FU has eduroam internet. This means that with your FU account you will have access to eduroam internet all over the world
