

## Course description

<b>Course Title</b> Chemical Nanotechnology Nanotecnologia Química		
<b>Type/Attendance Time</b> Lecture: 7 days 3 hours each	<b>Credit points (ECTS)</b> 2	<b>Type of Examination</b> Oral exam
<b>Recommended Prerequisites</b> none		
<b>Content</b> Nanolayers and structuring, organic nanoelectronics, nano transport systems, biomedical application of nanoparticles		
<b>Conteúdo</b> Nanocamadas e estruturação, nanoeletrônicos orgânicos, sistemas de nanotransporte, aplicação biomédica de nanopartículas.
