

AG Haut: Organic Synthesis & Photocatalysis

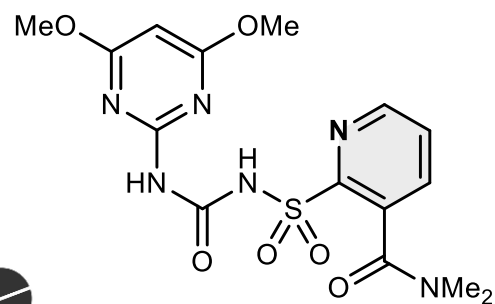

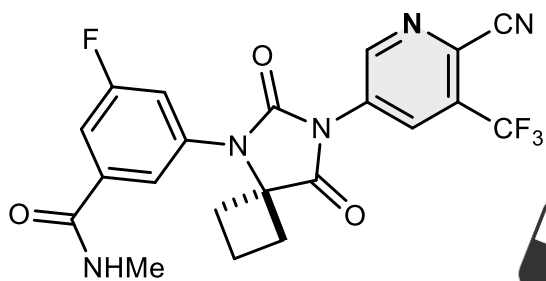

Research & Drinks, Nov. 20th 2024

Franz-Lucas Haut (f.haut@fu-berlin.de)

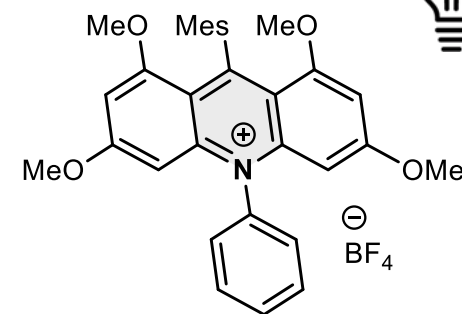

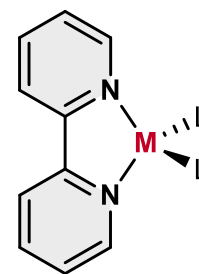

New & Efficient Synthesis of Heterocycles

Medicinal Chemistry & Crop Science

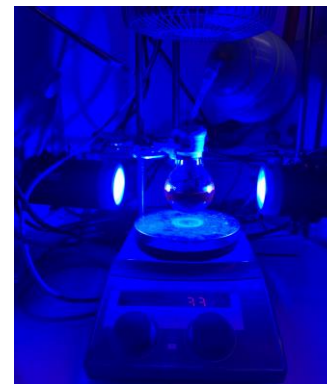

Sustainability & Catalysis

Your Know-How

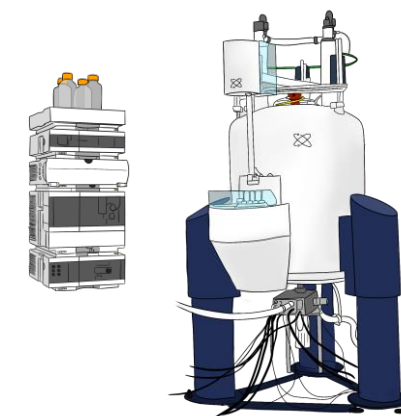

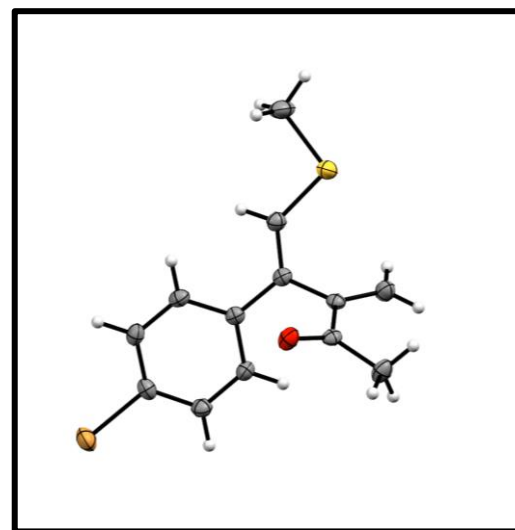

- OC-1, OC-2 & OC-3 [OC-4 and OC-6, MSc.]
- **Synthetic organic chemistry**
- Schlenk-line & column chromatography

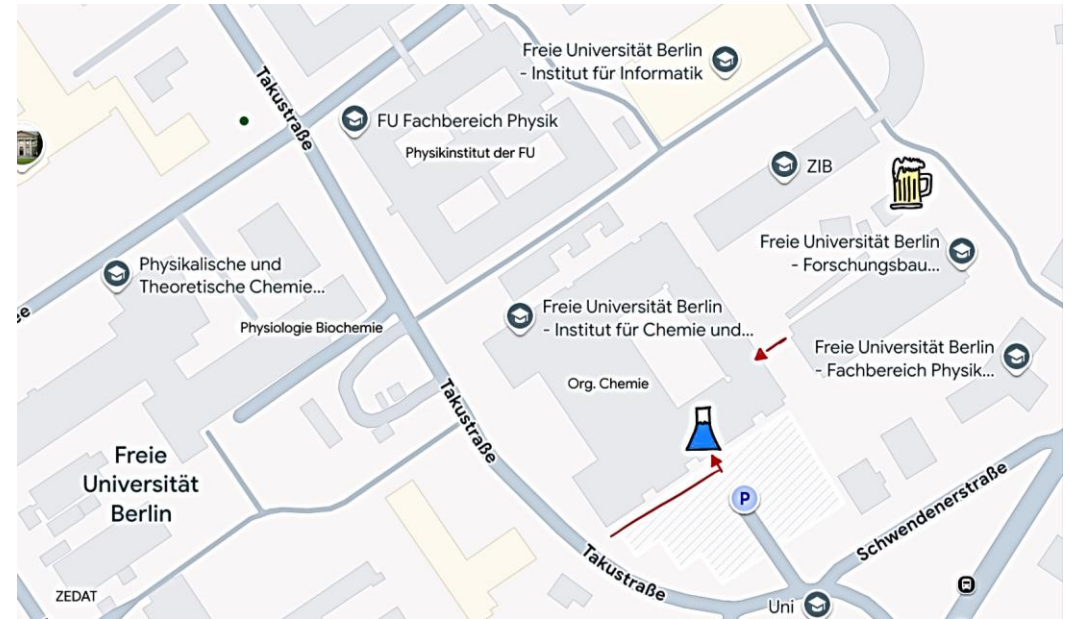

Photochemical Set-Up and Photocatalysts

Development & Collaborations

- Individualized mentorship
- Supportive research environment
- **Interdisciplinary research**
- Room to realize your own ideas

Structural Determination
(NMR, GC/LC-MS, X-Ray)

Takustr. 3, 24.10/24.11 (2nd floor)
