

APPLICATION FOR REGISTRATION OF A RESEARCH PROJECT IN CHEMISTRY

SPO 2013 – Master's degree started before or in summer semester 2024

SPO 2024 – Master's degree started after or in winter semester 24/25

The application form must be submitted as a pdf to the Examination Office **2-4 weeks in advance**
in order to prevent the project from being rejected.

Last name, first name:

Student ID:

Email:

Subject area	Scope	
Core areas: Inorganic Chemistry Organic Chemistry Physical/Theoretical Chemistry Other area*:	5 LP (4 weeks full-time) 10 LP (8 weeks full-time) 15 LP (12 weeks full-time)	Research projects may be completed part-time, in which case the processing time extends accordingly. The processing time already includes the time required to prepare the report.
Topic		
Workplace (on-site supervisor; name, e-mail, institution, work address)		Examiner FU Berlin
		I agree to supervise and evaluate the research project. I confirm that the research project is not primarily intended to generate financial income.
		Date _____ Signature _____
I hereby submit a binding application for the research project described above. I am aware that I must complete at least 15 LP in the core areas to complete the Master's degree program. This can be done in one go or in combination (e.g. 15 LP in OC, or 10 LP IC + 5 LP OC, or 3x 5 LP PTC etc.).		
Start date	Date of signature	Signature
Approval		
Examination Office		Examination Board (for external research projects)
Date	Signature	Date Signature
After completion of the research project (to be completed by the examiner)		
The project in the subject area of*		is graded at**
and awarded _____ LP.		Examination date (submission of the report):
Date	Signature	

* Analytical Chemistry; Inorganic Chemistry; Biochemistry; Macromolecular Chemistry; Organic Chemistry; Physical/Theoretical Chemistry; Environmental Chemistry/Sustainability in Chemistry

** Grading scheme: 1.0; 1.3; 1.7; 2.0; 2.3; 2.7; 3.0; 3.3; 3.7; 4.0; 5.0/fail
